ROSES PACKAGE

Our Roses Package is designed to keep things nice and easy for you. It's our most popular package by far, combining a traditional 3 course meal with the ever popular (and very tasty) hog roast.

We've packaged it all up and even added in a discount on the venue hire, which includes exclusive use of the beautiful barns, the courtyard and the grounds in front of Brampton Grange country house.

You can even choose to add in extras, swop, tweak or upgrade your food and drink choices and if you'd like to add on accommodation we can help with that too.
